

# Lighthouse Bonsai Society

**December Annual Gift Exchange  
Saturday, December 28 !!**

## A Note from the President

Please participate in our annual gift exchange. It is open to all members of the Lighthouse Bonsai Society. If you are not a member this is your chance! Pay your dues. The exchange is to be a gift! It should be something that you or anyone would want. It should have a retail value of at least \$25 no less. If you can not afford to participate you are welcome to watch and enjoy the fun. The gift could be Bonsai related or not but please be considerate. I appreciate a gag gift as much as anyone can but it should still have value beyond laughter. If everyone gives from the heart then we will be able to discontinue the Booby Prize that has been given for the least appealing gift as consolation in the past. **Thanks and have fun!!**

**Bob** REMEMBER TO WRAP THE GIFT AS AN ANONYMOUS ONE.

## Dues are due!!

Your 2014 dues for *Lighthouse Bonsai Society* are now payable (\$35 for primary membership and \$20 for secondary).

## Adams Ranch

The Treasure Coast Bonsai Society is having their annual trip to Adams Ranch in late January. You have the chance to dig for trees at one of Florida's premiere ranches. You can dig for Cyprus, maple, myrtle and other trees at the ranch. In order to join TCBS at the ranch you must become an associate member of the club. The fee is \$10 and if you like you may pay the fee at the December Lighthouse meeting and we will forward your \$10 to them. Car pools will be arranged.

**Please bring a delicious snack to share**

## At Dragontree this past Sunday with Vlad

Hollywood Juniper Before

Lighthouse Gang

HJ after the cut
