

Lighthouse Bonsai Society

Special Holiday Edition

A note from the President

Seasoned greetings! Our HOLIDAY EXTRAVAGANZA is just a week away. Plan on having a great time, a meal, some fun and bring a treasure to share in our gift exchange process. I love the gift exchange so much that if we all bring two gifts it will last even longer. (Just kidding) but I do love the gift exchange. If you have a tree that is doing well bring it in to share with the club . It has been a joy to spend time with you all at our meetings and other bonsai related activities. I hope to see you all at our last meeting of the year. Happy Holidays!

Hiram Micias was our guest artist at the November meeting. He started with the tree on the left and by the end of the meeting he had turned an OK tree into the beautiful one on the right which. We had a raffle for the tree and Bob Holechek was the lucky winner. It was a great event and we are grateful to Hiram for the wonderful lesson.
