

Lighthouse Bonsai Society

Club Meeting
Saturday, January 28

It's time to repot your Junipers! Join us for a Juniper-repotting demonstration and workshop, taught by our own Vladimir Foursa--curator of The Morikami Museum's bonsai exhibit. Bring your Junipers and have Vlad decide what is the next step in developing a show-quality bonsai. (If you don't have a Juniper, bring a tree you love. The club will have Junipers for sale that day-\$10.)

Last Month's Festivities

Last month, we held our annual Greek auction and holiday party. Join us this month for more bonsai fun!
