

Lighthouse Bonsai Society

A Note from the President

September! The high temperature is below 90 and the night time temperature is dipping down into the 70s. Winter is just around the corner. I am seeing the last flush of growth on my Junipers for the year and am planning for repotting. I have seen a lot of development in my trees this summer. I am trying to remember to take pictures to document some of these progressions. This month we will have a presentation by Mike Bloom. I have heard from others that they are bringing in some of the excesses of trees for the raffle table. I will be bringing a load myself. If you have extras bring them in. See you next weekend.

Next meeting this Sat. Sept. 27
9:00 till noon at Boca Raton Community
Center - 150 Crawford Blvd.
Please bring a delicious snack and
something for the raffle table!!

Bonsai Artist Mike Bloom to demonstrate at September Meeting

Mike became interested in Bonsai at age 13 and casually practiced it off and on quite a few years before deciding that he wanted to pursue a career in horticulture. More specifically, he wanted to open his own nursery. By this time, Bonsai had become a passion and he wanted it to be a focus at his nursery along with the exotic plants he had encountered/acquired while working in the plant industry. Mike has been participating in exhibits throughout Florida as a vendor and exhibitor for several years and has enjoyed not only the many learning experiences, but the nature of the excited participants. He is currently building a nursery in Loxahatchee Groves

Bring Something for the Raffle Table!!!

Bring something WONDERFUL for the Raffle Table that's longing for a new place to live and thrive!!!!.....OR Find YOUR dream plant, book or something else for a special place in your own home!!!!
